## Everyone knows you don't mess with Fae on a New Moon.

But the Fae that Aisling Quinn deals with don't need a thin Veil to cross and jeopardize her carefully created life. As a powerful witch, she's battled for agency in realms determined to control her. Enter a handsome stranger magically linked to her and the Fae fiancé who won't leave her side until threats against her life stop. As if that will ever happen.

Aisling has trained in magic use, self-defense, and secrecy, but no amount of training prepared her for a curse that hits so close to home. Then again, she never anticipated having two men by her side ready to fight, and die, with her.

With a diverse cast of characters and no shortage of danger or romance, the explosive world of *A Curse in Ash*, the first in an adult contemporary fantasy series, will leave you breathless for more. Perfect for fans of Kim Harrison's *The Hollows* series, Karen Marie Moning's *Fever* series, and Charlaine Harris' *Sookie Stackhouse* series.

In *A Curse in Ash* you'll find:

- A strong female protagonist
- Family and friend groups that warm your heart
- Two love interests (but no love triangle)
- Impending peril and high stakes that will require teamwork
- Diverse characters and relationships you'll root for
- An ending that will leave you eager for book two

## ABOUT THE AUTHOR

Julie Zantopoulos grew up in Havertown, Pennsylvania but spent weekends and summers in the Pocono Mountains where she wandered the woods and daydreamed of the world beyond the Veil. This is her first novel, but no one believes it will be her last.

When she's not writing, she's running her YouTube channel discussing books, hosting author community events, or reading. If all else fails, you'll find her enjoying "bad" SyFy Channel made for television movies.
